

SLIPPER FOR ST. NICHOLAS DAY

MATERIAL:

Colored 2-mm foam sheet or poster board
Colored felt
Gold 3-D scribble paint
Construction paper (for decorations)
12-inch piece of ribbon
Embroidery floss (if you sew on toe area)
Craft glue

EQUIPMENT:

Scissors
Tapestry needle (if you sew on toe area)
Paper shaper punch (found in craft stores),
for making quick decorative pieces

DIRECTIONS:

1. Cut sole of slipper out of colored foam or poster board.
2. Use 3-D scribble paint to write "Happy St. Nicholas Day" on heel part of foam sole. Let dry 2–4 hours.
3. Cut toe part of slipper out of felt.
4. Sew or glue toe part in position on sole. Sew or glue just around edge of sole, leaving center open. If you used glue, let dry (the toe part could be held in place with small clothes pins until dry).
5. Decorate toe part with paper punch cut outs, or another way. Let dry.
6. Make 2 small holes in top of slipper. Thread ribbon through holes, tie into a bow.
